ZOOM—OSHA Bloodborne Pathogen Training
+ HIPAA

February 2, 2023

Virtual Training For All Employees

11:00am—2:00pm (3 CE Hours)

Chris Moore, Director of Dental Services—
ODA

OSHA requires annual training for any employee who could come in contact with bodily fluid. This rule has been in effect since the early 1990's. To help you train your offices, CPDS will be offering this training via Zoom over the lunch hours of 11:00—2:00pm. Every person who attends must register. The cost is \$60 per person to attend and each person will receive 3 CE credit hours.
